## SPRING FEATURED EVENT

### Discover a Healthier You at The Health Museum!

MARCH 14TH-19TH

Bring your family to the Health and Wellness Expo 2011 and explore new ideas for your family to stay active and healthy this year.

## SPRING EXHIBIT - OPENS JANUARY 9, 2011

*Water's Extreme Journey* combines the worlds of art and science to demonstrate the importance of water and how it connects us all. Through exploration, scientific inquiry, artistic expression, and action, visitors will experience the water cycle, understand the science behind water purity, and realize the power each individual has to make a difference. On display January 9 - May 8.

### Now Playing - Planet You 3D

Journey into a world that you've never seen before! Take a 3D microscopic adventure into the alien landscape of your own skin.

### Amazing Body Pavilion

Take a larger-than-life tour of the human body and find out about everything under the skin! Ride the heart bike, put together the skeleton puzzle.

### You: The Exhibit

Explore your physical, unique and future selves at this exhibit that allows investigation into the who, what, where, when, and how of YOU. Find out what you will look like in 30 years or how long you will live!

**Birthday Parties!** The Health Museum offers your child several party options including skeleton parties and water parties in conjunction with *Water's Extreme Journey*! Goody bags, party invitations and Chick-fil-A meals are also available. Contact our Special Events Manager today at 713-521-1515 ext. 237 for details!
